See the different communication interface options available in the chart to the right.

Model Number	Interface	Price	Del.
EZ-T4C-FS	All serial drdivers (non-expandable)	$299	STK
EZ-T4C-FSE	Ethernet IP, EZ IP, Modbus TCP/IP, SRTP, Koyo ECOM and TCP/IP for programming	$399	STK

Notes:
1. These panels do not have a built-in Real-time clock and program back-up battery as the user program stored in flash
2. They do not have the option for use of Network cards such as DH+ or Profibus
3. These panels do not need RMC card for Remote Monitoring and \ Control, as this function can be performed over either built-in Ether net port or Serial port
