

EZ/SCADA® Runtime & Development

Scalable to any PC Monitor Size & Resolution

Runs on Windows 7 and Windows 10

Unlimited Tags

EZSoftHMI features:

- The lowest cost easy to use SCADA that runs on any Panel PC, single user license \$799, development software \$699.
- **SQL Server built-in and Unlimited number of tags.**
- **Customized real-time reports**
- **Report & Historian module.**
- Patented HMI on-line edit, No downtime
- EZSCADA HMIs in a plant or multiple plants have the capacity to be monitored using EZPlantview software.
- Best looking objects and animation with 65K colors.
- Unicode for multiple languages.
- Easiest Programming/Development Software, design time in hrs not days.
- Full Project simulation on your PC.
- "C level" scripting and logic expressions.
- Data-logging, Recipes, Emails, USBs. Free Chart recorder.
- Most advanced Alarm management and logging.
- On-Screen Recipe Edit.
- Remote Monitoring and Control, Smart phones & Ethernet.
- Communicate to all PLCs, including Serial & Ethernet drivers.
- Dual PLC Drivers with automatic tag conversion.
- Unique Visibility tag for best screen space utilization.
- Pass-through programming for all PLCs.

EZ SCADA Drivers

Allen Bradley / Rockwell Automation

- A-B DF1 Half and Full Duplex (PLC-5, SLC500, Micrologix 1000, 1200 and 1500)
- A-B Micrologix 800 CIP Protocol
- A-B Ethernet I/P (MicroLogix 800, Control & Compact Logix)
- A-B DF1 over Ethernet (for Micrologix & SLC 500 PLCs)

Automation Direct

- ADC K-Sequence (Direct Logic PLCs)
- Do-More PLC (Serial & Ethernet)
- Modbus (Productivity 3000 PACs, Direct Logic PLCs, Click PLCs)
- ECOM Ethernet (Direct Logic PLCs)
- Entivity Think&Do (Modbus RTU and Modbus TCP/IP)
- Productivity Driver (Serial & Ethernet)

AVG / EZAutomation

- EZ Ethernet
- EtherNet/IP
- EZRack PLC TCP/IP

General Electric

- GE SRTP over Ethernet

Mitsubishi

- Modbus TCP/IP

Modicon / Schneider

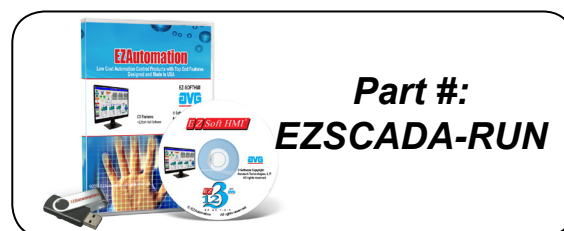

- Modbus RTU
- Modbus TCP/IP

Omron

- Modbus TCP/IP

Siemens

- Siemens Ethernet ISO over TCP/IP
- S7-200, S7-300, S7-400, S7-1200 & S7-1500 series
